REPORT

FOR THE YEAR ENDED 31st DECEMBER, 1945.

It is with pleasure that the Board of Management present to the Governors and Subscribers the 70th Annual Report and Accounts for the year 1945.

THE WORK OF THE YEAR. Another satisfactory year of work and service to the Community has been added to the hospital record. The demand for hospital accommodation and treatment continues unabated and every effort has been made to meet the demand despite the great difficulties arising from the shortage of nursing and domestic staffs. One of the smaller wards still remains closed.

From the 1st April the hospital was removed from the Emergency Hospital Scheme and only service personnel whose homes are in the district have been admitted during the past few months.

FINANCE—ORDINARY.

The total Ordinary Income for the year at £35,410 10s. 2d. shows an increase of £2,630 6s. 8d. compared with that of the previous year, whilst the total Ordinary Expenditure was £35,256 3s. 8d. or £2,590 16s. 0d. more than in 1944.

The excess of Ordinary Income over Ordinary Expenditure of £154 6s. 6d. is highly satisfactory in view of the greatly increased cost of the hospital's services due mainly to salaries and wages and the higher cost of fuel.

The increased income from the Contributory Scheme, the larger grants from the Friendly Societies' Gala Committee, the West Riding County Council and greater contributions on behalf of patients account for the increase in Ordinary Income.

CAPITAL ACCOUNTS.

The following additions have been made during the year and thanks are expressed to the donors and executors.

Endowment Fund :—

Executors of the late Allan Bradley (on account)	...	£45	0	0
The late Arthur Newton (Under 7 Year Agreement)	...	£57	3	0

Executors of the late Mrs. Emma Wilby	£100	0	0

HONORARY MEDICAL STAFF.

Three members of the staff passed away during the year.

Dr. H. C. Ling had a record of service extending over 40 years, first as Honorary Surgeon and later as Honorary Consulting Surgeon. He devoted unfailing skill and attention to his patients and their welfare was his first concern. He was also keenly interested in the development of the hospital and did much to extend its activities and widen its scope of service.

Mr. J. E. Platt, Honorary Dental Surgeon, 1913-1937, and Mr. G. Young, Honorary Dental Surgeon, 1937-1945. Their services were at all times available and they performed much valuable work in collaboration with the Physicians and Surgeons and all they did is remembered with gratitude.

The Board are pleased to welcome Mr. W. H. G. M. Ling on his return to duty at the hospital after service with H.M. Forces.

Dr. J. P. Berry, Honorary Consulting Physician, is kindly undertaking the duties of an Honorary Physician pending the appointment of a successor to the late Dr. Alexander.

NURSING STAFF. Much has appeared in the press of recent months concerning conditions of service, adequate accommodation and amenities for the nursing profession. Most of the criticisms are by no means applicable to this hospital, and in many directions the suggestions and recommendations in the various reports have already been met by the Board of Management. However, the Board do not lose sight of the fact that there is room for improvement and every effort will be made to give full effect to all the recommendations as soon as practicable.

Nursing Staff difficulties have been most acute throughout the year, particularly during the last few months, and in spite of the National Recruiting Campaign sponsored by the Government the prospect of an early improvement in the position is not hopeful. It should be emphasised, however, that the flow of new entrants to the profession is greater than at any time and the shortage is actually due to a greatly increased demand.

NURSES' PRELIMINARY TRAINING SCHOOL. The number of entrants has, of course, been comparatively small, but the arrangement with the Halifax Royal Infirmary continues satisfactory.

In the various State Examinations held during the year, the student nurses have done exceptionally well and the congratulations and thanks of the Board of Management are extended to the following for their service as lecturers :

Dr. J. Prentice. Medicine.
Mr. A. B. King, Anatomy and Physiology.
Mr. A. Barr, Surgery.
Mr. R. M. Hill, Gynaecology.
Mr. R. M. Hill, Diseases of the Ear, Nose and Throat.
Mr. H. C. Black, Diseases of the Eye.

State Examination Results :—

Preliminary Examination—3 new entrants. 2 passed, 1 failed.

Final Examination—13 new entrants. 11 passed first attempt, 2 passed second attempt.

The first Annual Distribution of Prizes from the Dr. J. Nicholson Dobie Memorial Nurses' Prize Fund took place on 24th September.

The presentation of the prizes was made by Mr. James Phillips, J.P., F.R.C.S. (E), Honorary Consulting Surgeon to the Bradford Royal Infirmary, with His Worship the Mayor (Alderman J. Spencer Binns, J.P.) presiding, and a large number of guests attended the ceremony.

On 31st December the Nursing Staff was as follows :—

Matron (Miss Smeeton); Assistant Matron-Sister Tutor (Miss Grunwell); Night Sister (Miss Swinbank); Radiographers (Miss Houston and Miss Tordoff); Masseuses (Miss Moorhouse and Miss Dean); 6 Sisters, 11 Staff Nurses, and 32 Student Nurses.

DOMESTIC STAFF. With domestic staff also the position has been difficult. Resident staff has been practically unobtainable and consequently it has been necessary to rely more and more upon daily workers, some of whom, however, owing to home duties, are unable to undertake early morning, evening and week-end work.

Toward the end of the year, the Housekeeper, Miss R. Raby, was compelled to resign following a breakdown in health.

At the end of the year the domestic staff comprised the following:
Male Staff—Engineer, Theatre, Hall and Night Porters, two Handy-men and two Ambulance Drivers.

Female Staff—Housekeeper (vacant), Cook, Sewing Maid, 6 resident maids (the complement is 16), Resident Laundress and 4 Laundry Workers and 19 Daily Workers.

AMBULANCE SERVICE. The assistance of members of the St. John Ambulance Brigade, and others, in running the hospital ambulance service is greatly appreciated. Without their valuable help it would be necessary to employ more full-time staff. One of the difficulties in operating such a service is the variable demand, but it is felt that an efficient service is provided which is appreciated by the general public.

HOSPITAL LIBRARY. Books circulated during the year totalled 2,321, an average of 49 per week.

Many welcome gifts of books were received from friends of the hospital and from the Red Cross Hospital Libraries Depots in Leeds and Bradford. Officials from these depots visited the library and were pleased and impressed with the arrangements. The cataloguing and classification of all the books has been completed. The branch library at St. John's Hospital was discontinued following the return of the elderly evacuees to London in September. Just over 1,100 books were distributed during the nine months.

The Board of Management desire to record their gratitude and also the gratitude of the patients for the continued valuable services of the Honorary Librarian, Mrs. B. P. Matthews, and her able assistants, Mrs. Leonard Briggs, Mrs. Frank Hartley and Miss June Briggs. Thanks are also expressed to the donors of books.

LINEN GUILD, EGG COLLECTION, "POUND DAY." Congratulations and thanks are due to the Ladies' Committee for the continued good results of these special collections. The gifts, although not so numerous as in previous years, are especially welcome under present conditions and are more than ever appreciated.

Well merited thanks are also due to the district organisers and collectors for their help under trying circumstances and also to the many generous contributors.

Details for the year and also for 1944 are as follows.

1944		Gifts	119	Cash	£172	11	8

FRIENDLY SOCIETIES' GALA COMMITTEE. It is a happy coincidence that the year which saw the end of World War No. 2 saw also the Gala Committee break their record contribution by a very handsome margin. This long-established and truly helpful organisation handed to the hospital the splendid sum of £1,600, an increase of no less than £400. The total sum received from the Committee since its inception in 1877 now stands at £31,648.

The Board of Management are extremely grateful to the Committee and the large band of enthusiastic supporters and helpers, all of whom should be justly proud of their part in helping to achieve such an outstanding result. Special mention should be made of the contribution of £154 0s. 6d., from the Technical College Rag Committee which is included in the sum of £1,600. Each year, without fail, this Committee rallies to the support of the Gala Committee.

CONTRIBUTORY SCHEME OF THE WORKPEOPLE'S COLLECTION COMMITTEE. By raising for the hospital the sum of £17,091 10s. 7d., the Workpeople's Collection Committee have added further to their already brilliant record. The increase of £261 13s. 6d. compared with the year 1944 is partly due to the success of the appeal launched during the year to increase the weekly contribution from 3d. to 4d. and partly to the generous response by many employers to the appeal to supplement their em-

ployees' contributions. The Board of Management wish to commend to all employers this method of supporting the hospital.

To the Committee the Board wish to convey their very deep sense of gratitude. For the past few years the Contributory Scheme has been responsible for an ever-increasing proportion of the total income, and if permitted under any National Health Scheme to continue their beneficent work, the Board of Management know that the Committee will unfailingly continue and expand their efforts. A special word of thanks is due to the Secretary and his assistant and also to the great body of contributors for their part in helping to achieve such a magnificent sum.

HOUSE-TO-HOUSE COLLECTION. Congratulations are due to this Committee for the splendid collection of £654 15s. 10d., being £53 10s. 1d. more than the collection of 1944 and only £17 15s. 2d. short of the record collection of 1899. Organisers and collectors made a special effort in celebration of Victory and their endeavours were rewarded with conspicuous success. To all concerned the Board wish to convey their gratitude and appreciation.

CHRISTMAS. Generous friends again rallied to the support of Matron's Christmas Fund, and the patients and staff greatly enjoyed the seasonable fare and entertainments provided. Every patient and member of the staff received a gift from the fund, whilst patients also received a gift from the Workpeople's Collection Committee. During the afternoon of Christmas Day, the Deputy Mayor and Mayoress (Councillor T. Snowden, J.P., and Mrs. Snowden) made an official tour of all the wards.

GIFTS. The following donations have been received for the purchase of equipment, for which the Board are extremely grateful.

OBITUARY. The loss by death of the following is recorded with deep regret.

Councillor W. Smith, J.P., early in his year of office as Mayor of the Borough and President of the Hosital. Councillor Smith took a keen interest in the work and some years ago was a very active member of the Board.

Dr. H. C. Ling, Mr. J. E. Platt, L.D.S., and Mr. G. Young, L.D.S., to whom tribute is paid elsewhere in the report under Honorary Medical Staff.

Mrs. Alfred Stell. A good friend of the hospital in many directions and a member of the Board and Ladies' Committee for 9 years.

THANKS. Excellent service and loyal co-operation have been received from the staff and numerous friends and gratitude is expressed to :—

The Honorary Medical Staff for their unremitting care and attention to the patients.

The Resident Medical Officers, the Matron, Assistant Matron and every member of the Nursing, Domestic and Male Staffs, for their keen attention to duty and willing performance of all their tasks.

The Ministers of Religion for their sympathetic and helpful interest in the patients.

The Local Press and West Riding Constabulary for their assistance in many directions.

The members of the Civil Nursing Reserve, the St. John Ambulance Brigade, the Women's Voluntary Service and members of the Volunteer Car Pool, Ambulance Attendants and many other helpers in a voluntary capacity, who have throughout the year given of their time to assist the hospital.

And finally to the hundreds of friends, known and unknown, who at all times do what they can to support the work.

CONCLUSION. The British Hospitals Association has been active during the year. Discussions have taken place with the Minister of Health in connection with the National Health Service, with the General Nursing Council for England and Wales concerning the recruitment and training and conditions of service of nurses, and also with other bodies interested in the medical and hospital services of the country.

The pattern of the Health and Hospital Services of the future is at present under consideration by the Government. It would appear that sweeping changes are to take place, and the position and status of the Voluntary Hospitals in the new arrangement are not yet known.

During the year the report of the Survey of the Hospital Services of the Yorkshire Area was published. The Survey covered every hospital in the area and various suggestions were made for securing a co-ordinated hospital service. The views expressed were the personal views of the Surveyors and it is too early to be able to say whether or not the proposals of the present Minister of Health, which, it has been announced will shortly be made known, will be based on the Survey.

The Board of Management hope that the Voluntary Hospitals will have the opportunity of continuing the role they have played in the past. It must not be forgotten that the Voluntary Hospitals have been, and still are, the training ground for members of the Medical Profession, whilst the majority of general trained nurses has also been provided by these hospitals.

Until the plans of the Minister of Health are in operation the Board of Management trust that all friends of the hospital will continue their active support and interest and thus enable the Board to maintain an efficient service.

Contributory Scheme

FOURPENCE OR MORE PER WEEK REGULARLY FOR

- (A) ALL WHO ARE COMPULSORARILY INSURED UNDER THE NATIONAL HEALTH INSURANCE ACT, OR
- (B) THOSE WHOSE WAGES DO NOT EXCEED AN AVERAGE OF £420 PER YEAR.

THREEPENCE PER WEEK FOR WORKERS UNDER 18 YEARS OF AGE.

The arrangements for Old-Age Pensioners not working, and Widows not in employment remain as before. For those who wish to contribute to the Scheme, the Contribution rate is Twopence per week or 2s. 2d. per quarter.

The following Benefits are now included in the new Scheme, and are provided to contributors and their strict dependents within the meaning of the Scheme :—

1. FREE In-Patient Treatment in the General Wards of Victoria Hospital.
2. FREE Out-Patient Treatment at Victoria Hospital as General Patients. This includes X-Ray Examinations and Treatment, Sunlight, Diathermy, Massage and Ophthalmic Treatment, and Radium Treatment by arrangement with Victoria Hospital.
3. Responsibility for the payment of Maintenance Charges at agreed rates in ALL Outside Hospitals for usual "Voluntary Hospital" cases.

NOTE.—This provides a solution for those workers whose place of residence and place of employment are in different Hospital areas. As part of a mutual arrangement between Hospital Contributory Schemes, it is expected that ALL WORKERS will contribute to their work's Scheme in the area where THEY ARE EMPLOYED. The Voucher they receive will entitle contributor and dependents to treatment benefits both at our own Hospital and also where THEY RESIDE.

4. **Private Wards in Victoria Hospital.** A rebate of 25% is allowed on the Ward and Operating Theatre Fee charges to persons entitled to use a Scheme Voucher occupying £3/3/0 or £4/4/0 per week Private Wards. All other charges, including X-Ray, Pathological Examinations, and the Fee of Physicians or Surgeons are full. (This provision is subject to the desired accommodation being available at the time required).

5. **Facilities for Free Post-Hospital attendance on In-Patients** by Nurses of the various District Nursing Associations for patients recommended by a member of the Honorary Staff of the Hospital. This only applies to cases immediately discharged from Hospital.

6. **FREE Ambulance Service** within the area served by Victoria Hospital for Stretcher Cases unable to use normal means of conveyance, on the recommendation of a Medical Attendant.

7. **FREE Convalescent Home Treatment** to all contributors and their dependents; on the recommendation of their Doctor, subject to suitable accommodation being available, and the patient is not already provided for by membership of a Society.

NOTES FOR CONTRIBUTORS.

- A. **To receive these Benefits**, contributors must either be compulsorily insured under the National Health Insurance Act or not receiving wages exceeding an average of £420 per year.
- B. **The Meaning of "Dependent."** Contributors can only obtain Vouchers for themselves and such other persons who are **strictly** dependent on them. Such dependents must be members of the family of, and normally resident with, the contributor, and must not be receiving wages either for whole or part-time employment, or engaged in any business for profit.
- C. **When Treatment is required**, if eligible, obtain a Hospital Voucher from the place where you contribute, which must be taken to the office at the Hospital. It is not sufficient merely to state you are a contributor, or to assume that the Hospital will know.
- D. **Applicants for Vouchers** must have complied regularly with the contribution rate of the Scheme, when working, and must be in-benefit at the time of asking for a voucher. The only exception permissible is when the applicant has been **TOTALLY** unemployed since they left off contributing.
- E. **The Scheme does not provide** free benefits to persons undergoing, or in need of Hospital Treatment at the time of joining. The waiting period is three months, with the following exception, "where a person entering into employment, or a new place of employment, joins the Scheme on engagement."

- F. Patients** (emergency cases excepted) are treated only through a recommend from their Doctor.
- G. 1. The Scheme does not cover for Treatment** for which any Public Authority is responsible, or which is obtainable under the National Health Insurance Act, or through an Approved Society.
2. Any case for which payment is received under the Road Traffic Act.
3. The Scheme does not render financial assistance in respect of maintenance or treatment of war disabilities for which the Ministry of Pensions is responsible. Persons suffering therefrom may receive free treatment on application to the local office of the Ministry.
4. Or to which the following rule may apply, "No person shall be eligible for admission who is suffering from any incurable or infectious disease, or of unsound mind. Any person who, after admission shall develop any infectious disorder, or prove to be incurable, shall be removed as soon as possible."
- H. The St. Luke's Hospital, Bradford,** may be used only by residents within the Bradford City Boundary. When this Hospital is used by persons working in our area and contributing to this Scheme, we grant the same benefits as are in force with the Bradford Contributory Scheme.

Individuals not connected with a Contributory Group, may contribute to the Scheme by :—

1. Subscribing on the basis of 4/4 per quarter, through the Office or authorised Depots.
2. Purchasing Hospital Stamps value 4/4 per quarter, through various Depots.

Persons entering the Scheme as Stamp or Individual Members, or re-entering after a lapsed period, become eligible for Benefits one clear quarter after the first payment.

Please address all communications to the Office, or call personally from 9 to 10 o'clock a.m., weekdays, or on Thursday evenings from 7-30 to 8-30 o'clock.
